Dear Sir,

Application For Internship

I am writing to express my interest in applying for an internship opportunity as a backend web developer with Django at your esteemed company from 5th June 2023 to 31st August 2023. With a strong foundation in backend development and experience in Python and SQL, I believe Ghana Manganese Company will provide an ideal environment for me to enhance my skills and contribute to innovative software solutions

I have dedicated myself to learning and mastering the Django framework, and I am well versed in backend web development principles. Throughout my academic journey and personal projects, I have gained hands-on experience in designing, developing, and deploying web applications using Django

I aim to gain industry insights and enhance my backend development skills by joining Ghana Manganese. With my enthusiasm and dedication, I believe I can contribute to the company's success while thriving in its dynamic and challenging work environment.

Sincerely,

Prince Edinor Ackon
